

YEOVIL TOWN COUNCIL

DOCUMENT RETENTION POLICY

1. Introduction

1.1 Yeovil Town Council requires a wide variety of documents for transacting its business and is committed to retaining these documents in a format and for periods of time that enables the Town Council to meet its statutory obligation in respect of documents subject to legislation.

1.2 The document storage arrangements should:

- Ensure security of documents
- Protect employees privacy
- Facilitate access to information
- Optimise the use of storage space
- Be cost effective
- Facilitate the destruction of redundant documents

2. Scope

2.1 The policy applies to users of Yeovil Town Council information records, both paper and electronic, it includes councillors and employees.

3. Statutory Requirements

3.1 Documents subject to a statutory period of retention are identified by their associated legislation in Appendix A.

4. Personal data

4.1 In accordance with Data Protection legislation and the General Data Protection Regulations 2018, personal data will not be retained for longer than necessary.

5. Security of Documents

5.1 Yeovil Town Council records are held in paper and/or electronic format. To minimise the risk of accidental loss of valuable records, masters or copies (as deemed appropriate) are stored in a fireproof safe.

6. Employee's privacy

6.1 The privacy of personnel records will be appropriately assured.

7. Availability and Access:

7.1 All records necessary to Yeovil Town Council's business will be retained for a period of time that reasonably assures the availability of records needed.

8. Storage space and cost

8.1 Redundant records may be destroyed in order to reduce the cost of storage, indexing and handling the vast quantity of documents that would otherwise accumulate. Destruction of documents will be undertaken in accordance with the provisions of this policy to avoid any inference that a document was destroyed in anticipation of a problem.

9. Electronic storage

9.1 Records maintained electronically will be subject to the same rules of retention and security as paper records. This includes email correspondence.

10. Disposal of records

10.1 All records containing personal information, such as personal names and addresses, will be disposed of through shredding as confidential waste. Where the volume of documents is too large for Town Council facilities, alternative means of record destruction will be used, such as commercial services.

10.2 Non-confidential records, such as correspondence from other government bodies, trade publications etc. will be recycled as paper recycling.

10.3 Computer hardware will be professionally cleaned of data prior to disposal or the hardware will be destroyed.

11. Implementation of the Policy

11.1 The Town Clerk will be responsible for the implementation of the policy.

12. Monitoring and Review

12.1 The policy will be reviewed periodically to monitor its effectiveness.

This policy should be read in conjunction with the following Yeovil Town Council policies and documents:

- Data Protection Policy
- Information Security Incident Policy
- Privacy Notice
