ADAM DANCE MP
Member of Parliament for
Yeovil

Dear Sir/Madam, 10/01/2025

RE: Stroke Services in Yeovil

I'm writing to you today in my capacity as Member of Parliament for Yeovil regarding the planned closure of Yeovil District Hospital's Hyper Acute Stroke Unit (HASU). As I am sure you are aware, Somerset Integrated Care Board (ICB) plans to close the current HASU. On the 1st of August 2024, I formally requested the Secretary of State for Health and Social Care to use his call-in powers to intervene in decision. After four months of persistence—including follow-ups with the Department, correspondence with Wes Streeting's senior team, and raising a point of order in the House of Commons— the Secretary of State decided not to intervene.

The decision by the Secretary of State for Health and Social Care not to intervene in the closure is not only flawed but outdated. In the four months the Department delayed its response, significant material changes have occurred at Yeovil's HASU which I believe will meet the regulatory requirements for the Secretary of State to reconsider his decision. The HASU now operates an increased service with more staff—a key concern raised by the ICB in its original justification for closure. Additionally, I believe there has still been insufficient evidence-based consideration of the negative impact this closure will have on travel times for stroke patients and on health inequalities across South Somerset.

I believe this is not a party-political issue, but a public health one. The HASU at Yeovil Hospital provides life-saving services, and its closure would be a devastating blow to our community. To date, 697 people have signed my petition against the closure. As such, I would urge you to put an item on the agenda of the next appropriate committee to debate and vote on whether to support local campaigners and myself to save Yeovil's HASU.

Thank you.

Yours faithfully,

AJDance

Adam J Dance MP
