Equality Act 2010

The general public sector equality duty places an obligation on a wide range of public bodies (including town and parish councils) in the exercise of their functions to have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act
- Advance equality of opportunity between people who share a protected characteristic and those who do not
- Foster good relations between people who share a protected characteristic and those who do not

The protected characteristics are:

Age Race

Disability Religion or Belief

Gender Reassignment Sex

Marriage and Civil Partnership Sexual Orientation

Pregnancy and Maternity

Recording of Council Meetings

The Local Audit and Accountability Act 2014 allows both the public and press to take photographs, film and audio record the proceedings and report on all public meetings (including on social media).

Any member of the public wishing to record or film proceedings must let the Chairman of the meeting know prior to, or at the start of, the meeting and the recording must be overt (i.e. clearly visible to anyone at the meeting), but non-disruptive. Please refer to our Policy on audio/visual recording and photography at Council meetings at www.yeovil.gov.uk. This permission does not extend to private meetings or parts of meetings which are not open to the public.

Members of the public exercising their right to speak during the time allocated for Public Comment who do not wish to be recorded or filmed, need to inform the Chairman who will instruct those taking a recording or filming to cease doing so while they speak.

AGENDA

A representative from Avon and Somerset Police have been invited to give an update on community policing matters. Questions are welcome from both Councillors and members of the public.

PUBLIC COMMENT (15 Minutes)

Due to the confidential nature of the business of item 11/158 and 11/159, under the Public Bodies (Admission to Meetings) Act 1960 s3, a motion to exclude members of the public and press during discussion of this item will be considered by the Councillors. *Public Bodies (Admission to Meetings) Act 1960 s3*

11/147 APOLOGIES FOR ABSENCE AND TO CONSIDER THE REASONS GIVEN

Council to receive apologies for absence and consider the reasons given. LGA 1972 s85(1)

11/148 DECLARATIONS OF INTEREST

Members to declare any interests, including Disclosable Pecuniary Interests (DPI) they may have in agenda items that accord with the requirements of the Town Council's Code of Conduct and to consider any requests from members for Dispensations that accord with Localism Act 2011 s33. (NB this does not preclude any later declarations).

11/149 **MINUTES**

To approve as a correct record the Minutes of the meetings held on 15th January 2024.

11/150 FINANCIAL STATEMENT – DECEMBER 2023 / JANUARY 2024

11/152 PARKING ISSUES IN YEOVIL

At Town Council held on 30th January 2024 a petition was submitted on behalf of the residents of Wyndham Court, Newton Road, Yeovil BA21 4HB in respect of a request for Somerset Council to implement an alteration to the parking restrictions on the road serving Wyndham Court. It was agreed the matter should be delegated to the Buildings and Civic Matters Committee to be discussed at the next meeting. A copy of the petition will be available at the meeting, but in summary, there are 66 signatures all of which are residents of Wyndham Court. A copy of the front pages of the petition explaining the parking difficulties experienced by residents is attached at Appendix 1. The petition had previously been submitted to Somerset Council in October 2023, and the response received from the Parking Services Manager in December 2023 is also attached for information (Appendix 2).

Two letters have also been received from another Yeovil resident citing the parking problems for residents of Wyndham Court. Her letters will be emailed to Committee Members before the meeting. She raises a more general concern about the number of residential developments that are being permitted without adequate parking provision in the town. She requests that the Town Council forms "a separate committee to specifically tackle the current parking crisis in and around Yeovil in order to avoid future problems".

The provision of parking facilities is not a duty of a local council. Somerset Council is the Highway Authority and has the responsibility for parking in the County, hence the response from the Parking Services Manager at Somerset Council (see Appendix 2).

Members will also be aware of the adopted Somerset County Council Parking Strategy 2013 which is a material planning consideration when assessing planning applications. This Strategy is referred to in the adopted South Somerset Local Plan 2006 - 2028 saying it will be applied when considering parking provision for new developments in South Somerset (Policy TA6 Parking Standards).

Yeovil falls within Zone A of the Parking Strategy where there is the lowest requirement for parking per dwelling. Although none of the zones are specifically 'car-free' there is advice about car-free development in the Strategy:

PM2.2 Seek and support innovative parking solutions in eco-towns and other developments with higher standards of sustainability. The inclusion of 'car-free' residential areas is a design principle of eco-towns. The principle aims to encourage reductions in car ownership and discourage car use, in part by parking restraint and management. For example, parking may be limited but supported by strategies for home deliveries; car parks may be separated from residential areas; a parking space in a car park at the edge of a development may be rented or purchased at a cost that is separate from the cost of buying or renting a home. Proposals for provision above or below the standards set out

in Chapters Five and Six must be supported by evidence detailing the local circumstances that justify the deviation and must be included in the developer's Travel Plan. Parking facilities for cyclists, including parking or storage facilities in the home, are particularly important in eco-developments (page 17 of the SCC Parking Strategy).

By way of background to the issues raised above, it is worth noting that Wyndham Court, a McCarthy & Stone development for people aged over 55, was permitted at appeal in January 2004. The application had not been refused by South Somerset District Council on parking grounds, but solely on the provision of affordable housing. Indeed, the report to the Area South Committee on 30 April 2003 states that the Highway Authority (SCC) responded to the application saying that, "Parking at one space per 3.5 units is acceptable for this use".

There have also been a number of other developments within Yeovil where lower parking standards or car-free development have been accepted by SSDC/SC, and others that are currently being considered, for example:

- The Western Gazette Building (25 apartments and 0 parking) and the Creamery (total of 99 apartments and 36 parking spaces) both on Newton Road have been refurbished and extended for residential use in recent years.
- 23-25 High Street (Beals site) proposal currently under consideration includes
 27 residential units and 0 parking spaces.
- The Grimsby Corner development was granted planning permission recently for 42 apartments and 5 parking spaces.
- 66 Middle Street (Real China building) proposal currently under consideration includes 17 apartments and 0 parking spaces.

Whilst local councils do not determine planning applications, they are consultees (together with other third parties) in the planning process and therefore have the opportunity to comment on matters such as parking provision. An objection can be raised if considered appropriate to do so.

The Committee is **RECOMMENDED** to note the report, consider the issues raised, and agree on any actions considered appropriate and necessary.

PETITION TO SOMERSET COUNCIL

FROM RESIDENTS

OF

WYNDHAM COURT

NEWTON ROAD

YEOVIL

BA21 4HB

A request for Somerset Council to implement an alteration to the current parking restrictions on the road serving Wyndham Court.

Submitted by the residents of Wyndham Court

5th October 2023

Wyndham Court, Yeovil, Somerset, BA21 4HB

Parking Petition Notes

The parking situation for residents at Wyndham Court has become increasingly difficult over recent months and the current situation is having a severe impact on residents safety and well-being.

There are twenty marked bays for 69 apartments There are currently 28 apartments with vehicles.

We are respectfully requesting an alteration to the current parking restrictions on the road that directly services Wyndham Court.

Many residents of Wyndham Court are no longer going out as they are worried about not getting a space when they return. Double parking is causing stress and anxiety. People are not sleeping at night in case they are woken up to move their vehicle.

Family members who come to visit do not stay.

It is also causing difficulties for visitors who include elderly family and friends, pharmacy and meal deliveries, maintenance persons, carers, cleaners and guest suite occupants.

Access for emergency vehicles is also very difficult in the current situation.

There is nowhere nearby that residents can park during the day except in pay car parks. The only options within a reasonable walking distance are the Euro Car Parks Yeo Valley Leisure Park and the small council car park on Newton Road.

We are unable to obtain permits to park in any of these car parks.

Parking on the public highway leading to Wyndham Court is severely restricted.

There is a bay for 2/3 vehicles depending upon size.
Time plate – 8am - 6pm
2 hours
No return within 2 hours

The remainder of the road is single yellow line on both sides. Time plate Monday - Saturday 8am - 6pm

Thank you for your time and consideration of this petition.

Wyndham Court - Yeovil

1 message

Dear Jenny,

Thank you for the recent email and your time detailing the issues you have been experiencing.

As you are aware Wyndham Court obtained planning permission in 2002 following a decision by the planning inspectorate at appeal.

Following our conversation, I have located the planning permission, this has enabled me to understand the original intention by McCarthy & Stone in respect of parking provision. The details from the planning file are shown below.

Traffic and Car Parking

Owing to the fact that the elderly are low car users and owners, sheltered housing developments generate very low levels of traffic. Any traffic movements that are created by residents are spread throughout the day and are not concentrated at the peak travelling periods.

19 car parking spaces are provided, which in McCarthy & Stone's experience is the appropriate level for this development, equating to 1 space per 3.6 apartments. There will also be a battery car garage located at the front of the development, which will provide residents with secure and accessible storage for these vehicles.

As we are aware much of the adjacent Ivel Court developments also have their own allocated/dedicated parking.

I appreciate your comments about the current occupants and how your living arrangements have changed over the years, but it remains for the individual to consider all aspects of their accommodation.

When making changes to the public highway such as the introduction of a resident parking scheme in Ivel Court, we will consider the current parking arrangements and who would potentially benefit from the change. The suggested change is likely to remove the opportunity for the public to park without charge for short periods.

The consideration of resident parking needs to detail the properties that are entitled to obtain permits, whether displacement could occur and should a potential scheme need to cover a wider area to include those residential properties with no off-road parking.

In summary this request is effectively asking that public parking is prioritised for a group of residents who have their own dedicated parking that the general public are not permitted to use.

In these circumstances the loss of public parking is not considered an appropriate use of officer time of public finances to create additional parking for a private development that has its own dedicated parking. In very limited circumstances within a larger parking scheme residents of a private development could be considered to part of the scheme with the option for on street parking permits. However, it would require the parking associated with the private development to be made available for all residents within the permit parking area. This means that nearby residents without parking would be able to park in Wyndham Court. I anticipate this option would not be acceptable to the Wyndham Court residents or the management company.

I therefore regret the Council will be unable to proceed with a request to create a resident permit parking area within Ivel Court for the use of Wyndham Court residents (or other developments with parking).

I appreciate this isn't the response you and your neighbours are hoping for, but as residents with its own dedicated parking this is a matter the developer and current management company to resolve.

Kind regards.

11/154 MILFORD HALL GAS HEATING UPGRADE

This report is for information only.

Item 11/126 of the Buildings and Civic Matters Agenda, 21 November 2023 referred to the need for the gas heating system at Milford Hall to be simplified, upgraded and more reliable. In January 2024 Bamfords serviced the boiler, and at the same time carried out a survey of the whole system and provided recommendations to make it more efficient, reliable and easy to use. A quotation for £1,039.93 + VAT was provided for these works. Further negotiations are underway to simplify the controls to the system too which should result in a slightly lower price.

Agreement to accept this quotation and commission Bamfords to carry out the work was sought and agreed under the requirements of Paragraph 4 (d)(x1v) 'Urgent Business' of Standing Orders. The work is scheduled to take place as soon as the details have been agreed.

The Committee is **RECOMMENDED** to note the report.
