

Biodiversity Ranger

37 hours per week (permanent)

SCP 21- 24: £30,825 to £33,945 plus Local Government Pension Scheme

We are looking for a full time Biodiversity Ranger to champion wildlife and help visitors engage with nature at the Green Flag Award winning Yeovil Country Park. You will need a passion for nature, broad practical skills and demonstrable experience in surveying and stewardship of protected species. Yeovil Country Park covers 157 acres of diverse habitat, from woodlands, grasslands, reed beds, waterways and heritage parkland. It is a popular and well-loved urban fringe site. You will be jointly responsible for managing habitats and maintaining infrastructure, and will take a lead on habitat and species surveys, engaging visitors, volunteers and groups. The small County Park team includes a Countryside Ranger and Casual Ranger, supported by many dedicated volunteers and an active community Friends group. The post holder will need creative skills to develop new events and experience of grant funding would be a bonus. As Biodiversity Ranger for the Town the post holder will visit other green spaces managed by the Council to advise and assess opportunities for biodiversity enhancements.

For more information, please see the job description and job specification. For an informal discussion please contact Katy Menday, Director of Environment & Leisure. To apply, please complete an application form. The job description, specification and application form are available at the address below or on our website.

Closing date is Monday 19th August at noon.

Yeovil Town Council, Town House, 19 Union Street, YEOVIL BA20 1PQ
