## PROCUREMENT CARD POLICY

### 1. Introduction

- 1.1. This policy has been produced for the Government Procurement Cardholders at Yeovil Town Council.
- 1.2. The purpose of this policy is to:
  - Clearly define the procedures that must be followed by all Government Procurement Card Holders; and
  - Clearly define the situations in which card use is and is not appropriate.
- 1.3. The Government Procurement Card (GPC) is a branded charge card and offers opportunity to improve both the focus and the flexibility of the Council's purchasing processes.
- 1.4. The GPC is a MasterCard debit card and it looks, and is used, like any normal debit card and is widely accepted within the UK.
- 1.5. The GPC should be used for ad hoc purchases.
- 1.6. The card is free at point of use and management information is also free of charge.

### 2. Benefits of the GPC

- 2.1. Improvements in the overall efficiency in the purchase and payment process for goods and services, which are expected to be realised mainly within the following areas:
  - Suppliers are paid directly by the Card Issuer; the Card Issuer is then reimbursed monthly by Yeovil Town Council.
  - Improved cash flow should make the Council's business requirements more attractive to many suppliers, particularly SMEs. The potential for negotiating prompt payment discounts will also be enhanced.
  - Allows staff to make greater use of the online purchasing process now preferred by many suppliers.
- 2.2. In summary, use of the card will enable local needs to be met promptly while giving visibility and local control over purchases, but without having to raise requisitions or purchase orders, or log and process individual invoices.

### **3. Roles within the GPC Scheme**

#### **3.1. GPC Authoriser**

The Chief Executive/Town Clerk is the GPC Authoriser who will authorise the issue of additional GPCs to named individual. They will also authorise any changes to credit limits or individual transaction limits.

#### **3.2. Administrator**

This will be a member of the Finance Team. The Administrator will be responsible for card administration and management reporting. The Administrator will also be responsible for the liaison and communication with the Cardholder. The Administrator will monitor that the GPC is being used correctly and will report to the Deputy RFO any incidents when they believe it is not. The Administrator will ensure that receipts provided are reconciled to the balance on each individual GPC.

#### **3.3. Cardholder**

The named individual is issued with a GPC. The Cardholder is responsible for the use of their procurement card, reviewing their transactions and ensuring that receipts are obtained and passed to the Finance Team. The Cardholder will comply with the GPC procedures (particularly to the appropriate use of the card) and will only use their procurement card in relation to official Yeovil Town Council business.

### **4. Procurement Card Rules**

- 4.1. These rules apply to all Cardholders and are in addition to the Financial Regulations.
- 4.2. The Cardholder will receive a procurement card, details of credit limit, individual transaction limits and instructions on how to review transactions.
- 4.3. The Cardholder will be required to sign a GPC acknowledgement form confirming that they understand the rules, will abide by them and are also in receipt of the card.
- 4.4. The Cardholder may only use the card for purchases made on behalf of the Council for official Yeovil Town Council business. Use for any other purposes or failure to comply with the rules, will result in immediate withdrawal of the card and may be subject to disciplinary action.
- 4.5. The procurement card may not be used for personal purchases.

- 4.6. The Procurement card is to be used by the Cardholder only. It is not permitted to give the card or the card number to someone else to use under any circumstances.
- 4.7. Procurement cards will not be issued to casual staff.
- 4.8. All Procurement Card spend will be detailed and made available to public inspection via the Yeovil Town Council website in accordance with the Local Government Transparency Code 2015. Any personal information will be removed prior to publication.
- 4.9. Limits for Procurement Cards will be authorised by the GPC Authoriser.
- 4.10. All receipts and all delivery of goods must be to an official Yeovil Town Council address.
- 4.11. Receipts are not acceptable if they do not show the correct information.
- 4.12. The payments of the Procurement Card statements will be collected automatically by Direct Debit. This has been set up by the Finance Team. Therefore, the Cardholder is not required to make any payments on receipt of a Statement.
- 4.13. All Procurement Cards statements and receipts will be held by the Finance Team for 7 years in accordance with the Document Retention Policy.
